2012

Ngaruawahia Youth Camp

Year 10 Camp 4 Dec—7 Dec

At the end of each year Paeroa College gives all Year 10 students an opportunity to attend an exciting, fun filled camp in Ngaruawahia. The facilities at this camp and in the neighbouring communities are excellent.

The camp is over four days starting on the Tuesday and finishing on the Friday.

The camp will be a valuable experience and will extend your child both mentally and physically.

All activities the students participate in will help develop skills such as personal confidence, positive self-esteem and image, dealing with challenges, interpersonal skills, etc. It is an action packed week with activities such as kayaking, rock climbing, paintball, mud sliding, hydro slide, biscuit fun on the water and other activities. The students will also be involved in critical thinking activities, problem solving, and team work.
